### **Defective Reissue Declaration**

The reissue oath/declaration filed with this application is defective because the error which is relied upon to support the reissue application is not an error upon which a reissue can be based. See 37 CFR 1.175(a)(1) and MPEP § 1414.

Applicant's reissue declaration lists only one error, inadvertently claiming priority to applicant's earlier filed applications which "substantially shortened the term of their patent." 35 U.S.C. 251 prescribes the effect of reissue on the patent term by stating that "the Director shall . . . reissue the patent . . . for the unexpired term of the original patent." The office does not have the authority to extend the originally granted patent term through the issuance of a reissue. See MPEP 1405.

### **Rejections based on 35 U.S.C. 251**

Claims 1-18 are rejected as being based upon a defective reissue declaration under 35 U.S.C. 251 as set forth above. See 37 CFR 1.175.

The nature of the defect in the declaration is set forth in the discussion above in this Office action.
